A French business mission of 30 delegates, led by Mr. Hervé GUILLOU, CEO of Naval Group, Chairman of MEDEF International's France-Australia Business Council and Mr. Thierry MALLET, CEO of TRANSDEV, Chairman of MEDEF International's France-New-Zealand Business Council, will visit Melbourne, Sydney and Auckland from 7<sup>th</sup> to 11<sup>th</sup> of October 2019.

The delegation comprises 7 sectors: infrastructure & transport, energy & environment, naval industry, smart cities, cybersecurity and banking services, where French companies have already invested since decades and are looking for new opportunities.

Different meetings are scheduled to deepen and diversify business ties between Australian, New-Zealand and French private sectors, and to explore new fields of cooperation:

- Australian and New-Zealand authorities at national and local levels
- Local private sectors representatives
- Australian and New-Zealand businesses and industrials

More than 500 French companies are already present in Australia, and more than 100 in New-Zealand, with a significant growth and sector diversification.
