PRESS RELEASE

On September 11th, 2020, MEDEF International and the State Committee on Investment and State Property Management of Tajikistan, with the support of the Embassy of Tajikistan in France, will organize a joint webinar meeting featuring Mr. Sharaf SHERALIZODA, First Deputy Chairman of the Committee and Mrs. Shirin AMONZODA, Chairman of Committee of Tourism Development, which will also be attended by EBRD and OECD.

Moderated by Mr. Christophe FONTAINE, co-Chairman of the France-Tajikistan Business Council, and Chairman of Roxalex, this session will aim at fostering better understanding of the Tajik Government's vision for the country's sustainable development in the current political, economic and epidemiological contexts. It will also focus on Tajikistan's investment and economic priorities, relations with its neighbours and partners in Central Asia and beyond.

This webinar, which will gather French and Tajik businessmen, is part of MEDEF International's increasing sequence of actions with Tajikistan and a follow-up to the meeting of the President of Tajikistan H.E. Mr. Emomali Rahmon with the French business community (Paris, November 2019), which constitute a logical continuation of joint efforts aimed at preparation of MEDEF International and French business community's visit to Dushanbe.

MEDEF International, the first international French private business network, has been active with Tajikistan since the beginning of 2000'.
